

Dear AAPSM Student Chapter Member:

Thank you for your interest in applying for the **Case in Clinic Award**. This award was made possible by AAPSM Past President Gary Gordon, DPM who generously donated \$300. The requirements for this award are simple. See something – write something. Student applicants are required to find a case in clinic – and write about it. Please complete your case study and conclude with your opinion or experience with the topic. Please site references.

Once this is complete, please send the completed Word Document with no more than 500 words to Rita Yates at ritayates2@aol.com. Deadline for submissions will be September 1, 2022. The winner will receive a check for \$300 along with having their article published in an upcoming AAPSM Newsletter. All entries will have the opportunity to also appear in the AAPSM Newsletter.

Any questions please contact Rita Yates at ritayates2@aol.com.
