Continuing Education

Podiatrists:
This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between the American Board of Podiatric Medicine (ABPM) and the American Academy of Podiatric Sports Medicine (AAPSM).

ABPM is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. ABPM has approved this activity for a maximum of 21.50 continuing education hours.

COVID Policy
All Registrants attending the AAPSM Stand Alone Meeting must comply with all local & state governmental COVID related policies that are in place during our meeting dates.

Please refer to the following website for up to date COVID policies that will impact our meeting in Seattle, Washington: www.fairmont.com/seattle

Since these policies are subject to change at any moment, we encourage you to bookmark this page and refer to it PRIOR to your trip to Seattle.

Program Learning Objectives:
1. Expand and integrate an understanding of the scientific as well as clinical knowledge of the lower extremity to better prevent and treat sports-related musculoskeletal conditions.

2. Facilitate a personalized educational experience through a comprehensive offering of instructional courses, panel discussions, and scientific presentations.

3. Integrate current basic science, translational research, and state-of- the art procedures and technology into clinical practice.

Program Materials:
In an effort to reduce paper consumption the AAPSM Stand Alone meeting has elected to go green so we will NOT be handing out a hard copy of our program syllabus onsite. All registered participants will be given instructions on how to access a PDF file of the syllabus approximately 1 week prior to our program. We appreciate your support of our efforts to reduce waste.
