GAVIOTA 3

THE ULTRA-CUSHIONED GAME-CHANGER.

Delivering signature comfort synonymous with HOKA, the **Gaviota 3** offers maximal cushioning and maximal support. Geared for a wide variety of athletes, this reliable road shoe was engineered to provide a balanced ride over any distance. A premium, stability shoe that defies convention when compared to traditional support shoes, the **Gaviota 3** overdelivers on plushness, boasting two more millimeters of foam than its predecessor. Engineered with a J-Frame™ design to help guide the foot without rigid materials, this new iteration delivers more durability than ever before, fortified with rubber coverage on the outsole. Bursting at the seams with comfort, the **Gaviota 3** is plushness on steroids.
